RAYBURN IS PROUD TO BE  
A TOBACCO-FREE CAMPUS,  
ENSURING A HEALTHIER,  
CLEANER ENVIRONMENT.

## WHO WE ARE

Rayburn proudly serves 4 Member-owned distribution electric cooperatives: Fannin Electric Cooperative, Farmers Electric Cooperative, Grayson-Collin Electric Cooperative, and Trinity Valley Electric Cooperative. Together, these cooperatives serve over 600,000 Texans.

We take great pride in delivering reliable and affordable wholesale electric energy to our Members. With our extensive transmission infrastructure, strategic partnerships, and unwavering commitment to excellence, we are well-positioned to meet and support the growing energy needs of Texas.

## AMENITIES

Rayburn's meeting spaces are a testament to our dedication to innovation and excellence. Our spacious training room has state-of-the-art technology, including, but not limited to, large interactive displays, crystal-clear audio, and high-speed connectivity to ensure every session runs smoothly. Visitors can unwind in our break room between presentations, perfect for enjoying a meal or hosting informal conversations.

Outside, you can explore our beautifully landscaped grounds, featuring shaded seating areas and walking paths. Our open-air amphitheater provides a wonderful change of scenery for unique presentations, performances, or simply enjoying the evening sky.

## GUEST WI-FI

For your convenience, Rayburn offers complimentary guest Wi-Fi throughout the campus, so you can stay connected effortlessly whether you're in the office, attending meetings, or relaxing between sessions.

To get started, select "REC - Guest." A login page will open. Follow the prompts and then click "Continue". Lastly, enter the Rayburn email provided during your event and click "Request Internet Access."
